

Save Money on Tuition at CHESS!

We want our courses to be an affordable option for any homeschooling family. Here are four ways to save money on tuition at CHESS!

- **Volunteer Pricing:** Volunteer with us and receive special course pricing – save \$165 per volunteer time slot. For more information or to volunteer, contact Patti Liles at thelilesfamily7@gmail.com.
- **Scholarships:** We offer partial scholarships to those with financial needs. To apply, contact Vickie Pitts at 703-509-1799 or email profesora4733@gmail.com.
- **Referral Credits:** Refer a new family to CHESS! If they sign up to take classes with CHESS, you will receive a \$50 credit and they will receive a \$15 credit. Have them mention that you referred them. There is no limit to the number of families you can refer! Contact Kelly Wynn at kelly.wynn@chessclasses.org and mention that you referred a friend.
- **Teach a Course:** Do you have a passion for teaching or experience in a subject that you'd like to share? Join the CHESS teaching team as we help families homeschool through high school with confidence and support the next generation. To learn more contact [tara.taylor@chessclasses.org](mailto: tara.taylor@chessclasses.org).

Refer to the "[Tuition, Fees, Payments and Refunds](#)" document to learn more about volunteering, scholarships and referral credits.
